Odaya is with the Australian Information Security Association and is a skilled cybersecurity professional. She is passionate about staying ahead of emerging threats and building strong relationships within the cyber security community. She has a strong background in incident response, threat hunting and network security.

## PRESIDENT'S MESSAGE

Hello everyone

First, I'd like to congratulate and thank Tricia, Jacqui & Antje on a very successful lunch last month when I was in the U.K. I've heard great reports about it. I know the September speaker will be of great interest to us all, given the daily threat of scammers on the internet.

Our renewals season has now closed, and regrettably I have to report a decline in our numbers to under the one hundred mark. It's where I thought the Club would be sitting this time last year, and it comes despite the current Board's attempts to grow our membership base and offer a variety of activities to appeal to everyone. Now that a line has been drawn under proposals to change the Club's name, the Board has looked at the Constitution to see how that can be changed to allow us to have a broader appeal. Those proposals are being finalised as I write, and they will go out to you after the lunch next week. They are designed to arrest any further decline in the membership numbers and to give greater flexibility in the make-up of the Board.

I know you've all been greatly impressed by Antje's hard work over the past year. She's done a wonderful job, and I would like to thank her very much. Now she's taking over Membership, where I know she will be just as fabulous!

On the subject of the incoming Board, we have been unsuccessful to date in finding an Activities VP or a Programmes VP. You will know the importance of both of these roles, and I hope someone will come forward so you can continue to enjoy some

would be a great way forward.

I look forward to seeing you all at the September lunch.  
Sheena

## CHILLI COOK-OFF

### Save the date! It's back!

Code world Chilli

If you've been previously, you know what a great night this is at the beautiful home of Margaret Hildick-Pytte and her husband Tony. We need 6 volunteers to make a Chilli (any kind), then we all get to blind taste them and choose a winner. It's a lot of fun, and every chilli will be fabulous. So, dust off the Mexican hats and join the party! Those not making a chilli will be asked to bring a small appetiser or dessert to share. More details at the lunch. Please note, this event will depend on getting enough volunteer chefs.
